EXAMINER'S STATEMENT

Allowable Subject Matter

1. Claims 1, 2, 11-13 and 15-20 are allowed.
2. The following is an examiner's statement of reasons for allowance: the primary reason for the allowance of Claims 1, 2, 11-13 and 15-20 is the Claim 1 limitation for a flashlight device including a reflecting mirror having a pair of first reflecting surfaces disposed apart from and generally facially opposing one another and a second reflecting surface interconnecting the pair of first reflecting surfaces to form a generally U-shaped configuration, the second reflecting surface as viewed in cross-section having an upper front side cylindrical surface section extending arcuately at a constant radius of curvature about a center point, a lower front side cylindrical surface section extending arcuately at the constant radius of curvature about the center point, a rear side cylindrical surface section extending arcuately at the constant radius of curvature about the center point, an upper recessed surface section interconnecting the upper front side cylindrical surface section and the rear side cylindrical surface section and projecting away from the center point and a lower recessed surface section interconnecting the lower front side cylindrical surface section and the rear side cylindrical surface section and projecting away from the center point, in combination with all other claim limitations in total.
3. Ryoji teaches a flash device but does not teach or suggest a general U-shape or the other structure limitations taught in the instant Claim 1.

4. Akio teaches a blinding cover but does not teach or suggest a flash device with the limitations taught in instant Claim 1.
5. Kazusane teaches a flash device but does not teach or suggest the combination of structural limitations taught by instant Claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
